

Competition rules

- 1 The event is a modified Ambrose
- 2 Handicaps are calculated as groups of 4 with aggregate of handicaps divided by 8
- 3 Each player is to have a **minimum of 3 drives** and marked on the card, accordingly.
- 4 The player whose drive is used is ineligible to play the next shot. The player whose shot is chosen for the 2nd shot is ineligible to play the 3rd shot till the ball is on the green. (After the drive and until the ball is on the green, there will only be 3 players playing the ball)
- 5 On the green, the **2-putt** rule applies. If the 1st putt is missed, the next putt is a “**gimnee**”, so pick up the ball and score as 2 putts.
- 6 On the “Buy-a-Birdie hole”, if you buy the birdie, pick up after 3 shots have been played.
- 7 The **Irish rule** applies. If a ball to be played is lost or out of bounds, drop a new ball adjacent to where the ball was lost or crossed the out of bounds on the fairway and take a **2-shot penalty**.
- 8 **SPEED OF PLAY IS ESSENTIAL TO FINISH ON TIME**
KEEP UP WITH THE GROUP AHEAD **Not** ahead of the group behind.
