

## Welcome

The start to 2020 began with a rained out event and unfortunately repeated itself to finish on the same damp note. 101 Chemist Golfers braved the stormy weather and made their way to Hope Island to enjoy a fabulous get-together, beautiful lunch and some wonderful prizes thrown in as well.

Bookings for our final event sold out in just 2 days with 152 registered players ready to hit the fairways! This is a great tribute to The Johnny Munro "Go for Life" day which is becoming more and more popular every year. With Hope Island restricting the field to 140 players, this created an interesting challenge; however with some minor adjustments and further discussions with Hope Island, we eventually were able to accommodate 148 players, which included 31 ladies, another record for the club and an improvement on 24 ladies for 2019. The committee is very pleased with our continued efforts to attract more ladies to our games and continuing to broaden our demographic with many younger pharmacists in attendance as well.

The day was sponsored by Deb Munro and her wonderful children, Sammy, Luke, Kurt and Adam and we thank them for their on-going sponsorship of this wonderful day which remembers our great mate and club member Johnny Munro.

Co-sponsors on the day were Pitcher Partners and Guild Insurance who had their early games cancelled due to rain! As John Randall from Guild Insurance said, 'bad weather follows me everywhere!'

Mark Nicholson, who was one of the people behind 'Johnny's Day' spoke about the origins of the day and that Pitcher Partners were very happy to be sponsoring Chemists Golf and looked forward to continuing sponsoring in the years to come

We had lots of novelty holes organised for the day and we welcomed a number of new sponsors on the day.

## X50

X50 are a young company who have a wide range of products aimed at the lucrative lifestyle market with Green Tea products, protein supplements and healthy snacks forming just some of their extensive range. Pharmacies are ideally positioned to benefit from this new growth market and I would encourage you to contact the company if you have not already incorporated their products into your stores.

X50 provided two \$100 nearest the pin prizes and because play was cancelled these were lucky door prizes. X50 also contributed to 148 sample bags filled with their products and we thank them for their sponsorship and welcome them as sponsors for 2021

## Hentley Farm

Hentley Farm's set up a magnificent tasting area to display a wonderful selection of their wines, accompanied with some beautiful cheeses for all of us to sample. Despite the cancellation of the golf, many enjoyed the quality of their wines resulting in several orders

being placed. Hentley Farm was very appreciative of this and has extended their offer of 25% discount off the list price to all our QCGC members as a corporate sponsor of Queensland Chemists Golf. We look forward to continuing to promote Hentley Wines at various games throughout our 2021 season.

Spicers Retreats were another proud sponsor to come on board and provided the main raffle prize of a weekend for two at a Spicers Resort. Have a read of the brochure enclosed in your sample bag and why not treat yourself to a stay at one of their lodges or perhaps purchase as a gift to a special friend.

Mercedes-Benz  
Toowong

A couple of beautiful Mercedes Benz AMG cars were proudly on display and we thank Mercedes Benz Toowong for their sponsorship for the day. They provided a brilliant prize for the NTP on the difficult 17th hole. The prize was a test drive for a weekend of a

Mercedes Benz of your choice plus a night away at a QT resort on the Gold Coast.

Queensland Chemists Golf Club took the opportunity of the day to recognise and acknowledge the support we get from our wonderful sponsors. Each of our major sponsors throughout the year was presented with a plaque as a memento to express our 'thanks' for the support they provide to us throughout the year.

Thank you also to Peter Marshall and Bob Rose from Pharmacy Solutions for their continued sponsorship of the Bridgestone balls for our challenge holes, run downs and special spot prizes on the day. Pharmacy Solutions Australia have once again committed to continue our relationship in 2021 and will also be providing sponsorship for the Australian Chemists Golf Carnival QCGC will be hosting from March 21st to March 26th in 2021.

## Treasurer

*Peter White*

It was unfortunate that our Hope Island game was cancelled, but we had a brilliant lunch with lots of wonderful prizes which helped to compensate for the rainy day, even though we didn't get to hit a ball.

Due to our contract with Hope Island, we were committed to paying for the food and for those of you who cancelled and were not able to come to lunch we have a voucher to play 18 Holes of Golf at Links Hope Island valued at \$140 to send you. There will be **no refunds** as the club had to pay for the day in advance and these costs were already locked in. As a consequence we were only able to raise \$1500 for our charity, the Charlie Teo Foundation, and although this is down very much on our previous years \$5000 donation, it was still a very good result considering the circumstances and we thank all of you for your contribution.

Thank you to everyone who assisted by paying your games online and well before the event. This is working extremely well and I ask that you please continue this into 2021.

I wish all Chemist Golfers a happy Christmas and hopefully we get lots of rain in 2021 but not on our golf days!

## Captain's Report

*Matthew Doherty*

Hello Chemist Golfers!

Not a lot for me to report due to no golf but boy did we have some wonderful prizes to give-away!

Lots of wonderful bright costumes in either **red**, **green** or Christmas themed and everyone had a great time and plenty of opportunity for a chat, some fantastic food and a drink or two for Christmas.

Our big project for 2021 of course is the ACGA Carnival which we will be hosting in Brisbane from March 21st to March 26th. It is going to be an awesome event!

Merry Christmas to all and look forward to catching up with you all next year!

## Presidents Report

*Robert Bosworth*

Our final event for the year is always well attended, and this one was looking to break all records with 148 players registered for the day and selling out in just 2 days. Unfortunately the La Niña effect was well and truly on display and torrential rain just kept coming and as a consequence golf was definitely going to be out of the question.

Our final event for the year is a special one where we take the time to reflect on the year that was, acknowledge and recognise the support of our sponsors, and to remember one of our great Chemist Golf members, John Munro. Although the Johnny Munro "Go for Life" trophy was not awarded this year, those who attended were still treated to some great food, wine and entertainment. Many prizes and competitions were still happening and it was a fun way to finish the year. I look forward to catching up with all of you again in 2021. Have a Merry Christmas and a Happy New Year.
