

Welcome

We had a lovely group of 104 players attend our November game at The Brisbane Golf Club.

We were blessed with fantastic weather, and the course was in great condition making for a challenging but enjoyable day of golf. The day was followed with a beautifully presented dinner held in the Historic Tennyson dining room and after a very warm day, everyone was pleased to sit down and relax and enjoy the food, company and some thirst quenching drinks to cool down.

The Brisbane Golf Club will be on our normal QCGC calendar next year, and will also be one of the five courses presented to the ACGA carnival and we look forward to both of these visits next year.

Thanks to our sponsors on the day Sigma Healthcare and Medi-Ice Pak who have always supported our club and have been integral in helping to grow our numbers on the day.

MEDI-ICE PAK

Thank you also to Peter Marshall and Bob Rose from Pharmacy Solutions for their continued sponsorship of the Bridgestone balls for our challenge holes, run downs and special spot prizes on the day. Pharmacy Solutions Australia have once again committed to continue our relationship in 2021 and will also be providing sponsorship for the Australian Chemists Golf Carnival QCGC will be hosting from March 21st to March 26th in 2021.

Treasurer

Peter White

Thank you to everyone who has assisted by paying for your games online and well before the event. Could I ask everyone who is playing at Hope Island to pay the \$150 fee as requested by Monday 7th December?

Paying early makes administration on the day a breeze and we have a lot happening at Hope Island this year! If you wish to pay by credit card you can email me at peter@peterwhite.com.au. I will send an invoice with details on how to proceed with your payment.

For direct deposit, our bank account details are **BSB 034 041 ACCT. 380973**. Please make sure you notate clearly with your payment so I know where the money has come from!

Also, please remember if you would like an official AGU handicap, you can now pay an extra \$100 p.a., on top of your \$50 membership fee, and the club will get you an AGU handicap and maintain it for you. It means you can play at any club in Australia with an official handicap for only \$100 a year which is an absolute bargain!

Captain's Report

Matthew Doherty

Hello Chemist Golfers! I could almost copy last years' report from our Brisbane day and use it for the 2020 Brisbane GC report. Wow it was warm! It made the decision to walk seem a little foolhardy! The massive field did create a few scorecard issues and I thank you all for your patience when collecting cards. The course was in great condition and had some tricky pin placements. There were plenty of great scores which could be attributed to the drink vouchers handed out before the round working their magic! Major prize winners were as follows:

4BBB Winners-Anthony and Pat Horgan (47 points)

4BBB Runners-up- Steve Dunne and Andrew Halec (46 points)

A Grade Winner-Chris Owen (37 points)

A Grade Runner-up-Ian perkins (36 points)

B Grade Winner- Craig Loy (36 points CB)

B Grade Runner-up- Andrew Lathouras (35 points CB)

C Grade Winner- Michael Jones (34 points)

C Grade Runner-up-George Psaltis (34 points CB)

The last game of the year is of course at Links Hope Island Golf Club. We have a

sell-out field of 148 players for what is our major fundraiser for the Charlie Teo Foundation and the successful team will be presented with the Johnny Munro “Go for Life” trophy.

The day will be an Ambrose format with a slight twist, similar to the Holden scramble golf events and with this format should help to keep the pace of play moving with such a large number of players in the field. I look forward to seeing you all at Hope Island for some great golf and Christmas cheer! Oh, and don't forget-wear something either **red**, **green** or Christmas themed...🎄 you may win a prize just for this!!!

Presidents Report

Robert Bosworth

The final months of this year have continued to attract many players to our events with 104 players attending our event at The Brisbane Golf club.

It is a pleasure to see the commitment from our regular attendees, the superb support from our sponsors and the introduction of new guests, many of whom have become new members to our wonderful club and are now regular attendees as well.

Prior to our Brisbane Golf Day, we held our AGM and I am pleased to announce the committee will continue to be represented by the same team of individuals that have made Queensland Chemists Golf such a success throughout the difficult year.

Our final event for the year is again to be held at the beautiful Links Hope Island Golf Club. It was amazing to see the booking sheet of 144 players fill up in 2 days... quite an astonishing achievement. We did however manage to squeeze one more group into the field making a total of 148 players which is somewhat of an attendance record for QCGC.

Proceeds for the day go to our nominated charity organisation, The Charlie Teo Foundation, and on behalf of the foundation, I thank you in advance for your contribution and trust you can look to reach further into your pockets for more support to this wonderful charity.

The winning team for the day will be presented with the “Johnny Munro – Go for Life” trophy. A Trophy that holds a special meaning to all of those at QCGC. It is wonderful to see Debbie and the Munro family continue their support to this wonderful day, a day that John enjoyed immensely with his friends and family.

I would also like to thank our event sponsors for the day, Pitcher Partners and Guild Insurance who have committed to sponsorship for many years for the QCGC.

I look forward to welcoming our field at Hope Island and to all those who missed out this year I send you the compliments of the season, and in the meantime keep up the good golf, and stay safe.
