

Welcome to our June newsletter for 2023

Monday 19th June Sanctuary Cove "The Pines"

Presidents Report Mark Kleimeyer

We all arrived at Sanctuary Cove on Monday to be greeted by blue skies and not a hint of a breeze. Our field of 123 golfers were all set for a wonderful day's golf at The Pines. Tim Bray from Sanctuary Cove ensured we had an enjoyable day on this fabulous course and Merriden Diehm made sure the catering was of the same high standard. All the staff at Sanctuary Cove spoiled us with their attention to detail and we had a great day.

We played an ambrose event and our daily sponsors were Sigma and 24K Wealth. Sigma kindly supplied caps for all the golfers which we appreciated in the sunny conditions. Tony Zuppini the State Sales Manager for Sigma spoke of the success Sigma is enjoying and his enjoyment of his golf game. Sigma are long term sponsors of Queensland Chemists Golf Club and we appreciate their support.

The principal of 24K Wealth, Russell Mann spoke about his financial advisory business explaining its ethos, longevity, and reputation and gave some insightful client advisory examples. 24K issued all golfers with a spectacular gold ball marker which was simply the forerunner to the gold bar prize for nearest the pin on the Golden Hole, the par three thirteenth. Russell presented the winner, John Powell with the gold bar when the prize presentations commenced and John was thrilled to be the winner.

GOLDEN HOLE

Fantastic prize of 5 grams of gold for nearest the pin on the par 3 Golden Hole thanks to 24kWealth!

It was great to see Peter Marshall back playing golf with us again. Peter Marshall is the principal from Pharmacy Solutions and our long term ball sponsors. Bob Rose was also at The Pines representing Pharmacy Solutions once again.

Thank-you to all our sponsors, who enable us to play such great golf courses.

I am not sure members are aware, but at each of our events they can invite up to three guests, but they will need their email address, mobile number, and golflink number if they have one. If you have any difficulty booking them into the time sheet, Peter White or John Neilson would be delighted to help and their phone numbers are on our website for Queensland Chemists Golf Club. Recently we have had a few mis-steps with our software/communications so I am sorry about

that. We have a new website under development. Michelle Tucker is the whizz who has produced the site which is looking fabulous (Michelle is married to Robert Tucker, one of our committee members), and in conjunction with Bobby Bosworth we hope the site will be up and running very soon.

As I have mentioned before, today's event is organised by Q.C.G.C. , and once a year we have a carnival hosted by the Australian Chemists Golf Association. The carnival rotates through the current four member states of Victoria, Tasmania, Queensland and New South Wales. As you know Victoria hosted the carnival at the Mornington in March this year and Tasmania will host in 2024 from the second of March until the eight of March next year. Information has already been circulated to members. We had a Zoom meeting Wednesday thirteenth of June to wrap up the Victorian carnival and to discuss the Tassie carnival, and everything seems to be progressing well.

As members would have seen recently, Bob Conn a past President of our club and a previous president of the A.C.G.A. passed away after a long battle with cancer. We extend our sympathies to his wife and family.

Our next game is Monday 17th July at Nudgee, and we will be playing the Queensland PGA course, The Kurrai. It is Rookies day so half price for any pharmacy students and first time pharmacists. It is also the President's Cup day and the prize goes to the best 4BBB score on the day.

We welcomed Matt Doherty back to golf after his recent back surgery to announce the prize

winners for the day. Russell and Tony assisted with the presentation and Ben White captured the moment with his camera.

Ben also captured great footage with his drone that he ably piloted around The Pines, and we were lucky enough to display his work on a monitor provided by Sanctuary Cove. Thanks to Bobby Bosworth for making this happen.

See everyone at Nudgee.

Reminder: Cancellation of Bookings Policy

Cancelled bookings will not receive a refund of game fees when cancelled after the close of bookings (usually the Wednesday prior to a Monday game).

Where the game fee hasn't been paid, an invoice will be issued to recover the cost and must be paid to enable you to play any future games.

Regardless of the above, advice of a cancellation as soon as it is known would be appreciated as the organisation of groups & pairings is a difficult & time-consuming job. Last minute cancellations can cause disruption to the field and the enjoyment of the day for everyone.

Late Payment Fee

A \$20 late payment will be applied for payments received after the Wednesday prior to a monthly game. Non-payment of the late fee where charged will make the player ineligible for prizes on the day.

Guests' Payments

Members inviting guests to a monthly game are held responsible to ensure payment of the guest's game fee. Please ensure your guest has paid or arrange payment yourself prior to the Wednesday cut-off time.

Next month's game

Our next game is Monday 17th July at Nudgee, and we will be playing the Queensland PGA course, The Kurrai. It is Rookies day so half price for any pharmacy students and first time

pharmacists. It is also the President's Cup day and the prize goes to the best 4BBB score on the day.

QCGC Membership

For just \$50, and for another \$100 QCGC, we can maintain a Golf Australia handicap for you, which would enable you to play in any official GA golf competition throughout Australia.

Stress Relief Carnival ***Kingscliffe***

Ian Dempster and Peter Castrisos are currently organising a week of golf Sunday 10th September to Friday 15th of September staying at Mantra Salt Kingscliffe. They have organized this "Stress Relief Carnival" for many years now and I know participants have a fabulous time. I have been lucky enough to attend on a couple of occasions. Chemist golfers and their friends come from Queensland, Victoria and New South Wales each year. If you are interested, please contact Ian Dempster demo.cdnlucas@gmail.com for more information as he currently has an email ready for distribution. As Demo points out in his document, you finish playing golf in Northern N.S.W just in time for the QCGC game at Royal Queensland on the 18th of September.
